Fadden Electorate: School Leaders

Mr ROBERT (Fadden) (4.38 p.m.)—I rise to commend the new student leaders of the northern Gold Coast schools within the electorate of Fadden. It is no small achievement to be appointed a student leader in today's schools. These leaders have been selected because of their potential and because of their identified abilities to make a contribution to their schools and to society going forward. Australia needs great leaders, and I am especially pleased to name some of Fadden's up and coming leaders this afternoon. These leaders are 100 per cent of Australia's future and I look forward to hearing of their leadership journeys and their future successes.
